

Parents know what is best for their kids, NOT the government.

**Vote NO on
New York State's
Parent Replacement Act
on Tuesday,
November 5th**

KNOW THE FACTS

**If the so-called Equal Rights
Amendment passes:**

- **New York State could have more authority than parents in making important medical decisions for children.**
- **Minors could have the right to irreversible surgical and non-surgical transgender procedures without their parent's notice or approval.**
- **Statutory rape laws that protect against sex with minors or enhanced penalties for attacks against those over 65 could be weakened.**
